Items requiring human verification (20)

The tool could not reach a reliable result on these items, or they are things that cannot be verified from the text of a PDF. Each needs a person to check it.

HUMAN REVIEW — No. 1 | Document processing notices

01_Bid_Form_scan.pdf could not be read

File	01_Bid_Form_scan.pdf
Assessment	This 2 pages file is a scanned image with no text layer, so its contents were not analyzed. It was uploaded as part of the bid package. Nothing in it was checked. Requirements that could depend on it are marked for review instead of being reported as missing.
Confidence	High. No text could be extracted from any page.
Next step	Upload the original text-based PDF if you have it (for example, the file before it was printed and scanned), or review this file yourself.

HUMAN REVIEW — No. 2 | Addendum acknowledgments

Acknowledgment of Addendum No. 1: could not be confirmed

Source	A3_Addendum_No_1.pdf, page 1 *"ADDENDUM NO. 1"*
Also stated	A1_Invitation_and_Instructions.pdf, page 2
Assessment	No addendum acknowledgment was identified in the 6 pages that could be read. Part of the bid package could not be read (01_Bid_Form_scan.pdf (whole file)); the acknowledgment may be there, typically on the bid form.
Confidence	Low. The material that would contain the acknowledgment was not available to read.
Next step	Confirm Addendum No. 1 is acknowledged on the bid form.

Acknowledgment of Addendum No. 2: could not be confirmed

Source	A4_Addendum_No_2.pdf, page 1 *"ADDENDUM NO. 2"*
Also stated	A1_Invitation_and_Instructions.pdf, page 2; A3_Addendum_No_1.pdf, page 1
Assessment	No addendum acknowledgment was identified in the 6 pages that could be read. Part of the bid package could not be read (01_Bid_Form_scan.pdf (whole file)); the acknowledgment may be there, typically on the bid form.
Confidence	Low. The material that would contain the acknowledgment was not available to read.
Next step	Confirm Addendum No. 2 is acknowledged on the bid form.

HUMAN REVIEW — No. 4 | Addendum acknowledgments

Confirm no other addenda were issued

Source	A1_Invitation_and_Instructions.pdf, page 2 *"Bidders shall acknowledge receipt of all addenda in the space provided on the Bid Form."*
Assessment	This check covers the 2 addenda that were uploaded (No. 1 and No. 2). An addendum that was not uploaded cannot be detected, and agencies sometimes issue one shortly before bids are due.
Confidence	Low. This tool only sees the documents uploaded to it.
Next step	Check the agency's website or bidding portal for the current list of addenda before you submit.

HUMAN REVIEW

No. 5 | Required documents and forms

Bid Form: could not be confirmed

Source A1_Invitation_and_Instructions.pdf, page 2

"Bids shall be submitted on the Bid Form furnished by the City."

Assessment No page titled "Bid Form" was identified in the 6 pages that could be read. Part of the bid package could not be read (01_Bid_Form_scan.pdf (whole file)), so the document may be in that material. A file named 01_Bid_Form_scan.pdf was uploaded but could not be read; it may be this document. The name does appear in the text of 02_Supporting_Documents.pdf, page 1, but a mention (for example in a cover letter) is not the document itself.

Confidence Low. Part of the bid package was unreadable, so absence cannot be concluded.

Next step Check the unread file or pages yourself and confirm Bid Form is included. Uploading a text-based (not scanned) PDF allows this to be checked.

HUMAN REVIEW

No. 6 | Required documents and forms

Bid Schedule: could not be confirmed

Source A1_Invitation_and_Instructions.pdf, page 2

"Bid Form, including the Bid Schedule;"

Also stated A2_Bid_Forms.pdf, page 1

Assessment No page titled "Bid Schedule" was identified in the 6 pages that could be read. Part of the bid package could not be read (01_Bid_Form_scan.pdf (whole file)), so the document may be in that material.

Confidence Low. Part of the bid package was unreadable, so absence cannot be concluded.

Next step Check the unread file or pages yourself and confirm Bid Schedule is included. Uploading a text-based (not scanned) PDF allows this to be checked.

HUMAN REVIEW

No. 7 | Required documents and forms

Use the revised Bid Form (per Addendum No. 1)

Source A3_Addendum_No_1.pdf, page 1

"Bid Schedule, Item 4: The estimated quantity of 6-inch Gate Valve and Box is revised from 4 to 6. A revised Bid Form is attached and replaces the original Bid Form."

Assessment This item was identified in the solicitation. It is not something this tool can match to a specific page of the bid package, so it is listed for you to confirm.

Confidence Low. The wording was read from the solicitation; whether it has been satisfied was not assessed.

Next step Read the cited passage and confirm your bid satisfies it.

HUMAN REVIEW

No. 13 | Signatures and notarization

Corporate seal

Source A1_Invitation_and_Instructions.pdf, page 2

"Bids submitted by a corporation shall bear the corporate seal."

Assessment A seal cannot be detected in PDF text. Looked at the bid package. This tool cannot tell whether the page has been signed by hand, or whether typed text such as "/s/ Name" is acceptable to the agency. Part of the bid package could not be read (01_Bid_Form_scan.pdf (whole file)).

Confidence Low. Handwritten signatures, seals and notary stamps cannot be verified from PDF text. Typed text on a signature line is not proof of a valid signature.

Next step If the bidder is a corporation, confirm the corporate seal is on the final copy where the form asks for it.

Assessment In Non-Collusion Affidavit (02_Supporting_Documents.pdf, page 3): page 3: the notary statement has a date typed in; page 3: "Notary Public" has typed text on it ("/s/ Teodoro Vance-Abernathy"). Typed text is present there. This tool cannot tell whether the page has been signed and notarized by hand, or whether typed text such as "/s/ Name" is acceptable to the agency. Part of the bid package could not be read (01_Bid_Form_scan.pdf (whole file)).

Confidence Low. Handwritten signatures, seals and notary stamps cannot be verified from PDF text. Typed text on a signature line is not proof of a valid signature.

Next step Look at the notary section on the final copy: confirm the notary's signature, date, commission expiry and seal are all there.

Confidence Low. Handwritten signatures, seals and notary stamps cannot be verified from PDF text. Typed text on a signature line is not proof of a valid signature.

Next step Look at the signature line on the final copy: confirm it is signed by a person authorized to bind the bidder, with name, title and date filled in.

HUMAN REVIEW

Signature: Bid Form

Source A1_Invitation_and_Instructions.pdf, page 2

"The Bid Form shall be signed by an officer or other person authorized to bind the Bidder."

Assessment Bid Form was not identified in the pages that could be read, so its signature could not be looked at. Part of the bid package could not be read (01_Bid_Form_scan.pdf (whole file)).

Confidence Low. Handwritten signatures, seals and notary stamps cannot be verified from PDF text. Typed text on a signature line is not proof of a valid signature.

Next step Locate Bid Form in your package and confirm the signature on the final copy.

Confidence Low. Handwritten signatures, seals and notary stamps cannot be verified from PDF text. Typed text on a signature line is not proof of a valid signature.

Next step Look at the signature line on the final copy: confirm it is signed by a person authorized to bind the bidder, with name, title and date filled in.

HUMAN REVIEW

No. 18 | Arithmetic and form consistency

Bid Schedule arithmetic was not checked

Assessment No unit-price schedule could be read from the bid package, part of which was unreadable. Line-item extensions and the sum of the schedule were not checked.

Confidence Low. No schedule rows were parsed, so nothing was compared.

Next step If your bid has a unit-price schedule, check every extension and the total by hand, or upload a text-based copy of the bid form.

"The date for receipt and opening of bids is changed from Thursday, March 12, 2026 to Thursday, March 19, 2026 at 2:00 p.m. local time."

Also stated A1_Invitation_and_Instructions.pdf, page 1

Assessment The documents state that bids are due Thursday, March 19, 2026 at 2:00 PM (per Addendum No. 2). An earlier date, Thursday, March 12, 2026 at 2:00 PM, appears on page 1 of A1_Invitation_and_Instructions.pdf; Addendum No. 2 changes it. This matches the deadline entered for this project (time zone entered for this project: America/Chicago). This tool cannot confirm the time zone, the place of receipt, or that the bid will arrive on time.

Confidence High. The date and time were read from a sentence about when bids are due.

Next step Confirm the date, time, time zone and place of receipt against the latest addendum, and plan delivery with time to spare.

Bid security

Source	A1_Invitation_and_Instructions.pdf, page 1 *"Each bid shall be accompanied by a bid bond, certified check or cashier's check in an amount not less than five percent (5%) of the total bid, made payable to the City of Fernhollow."*

Assessment	A page titled "BID BOND" was identified in 02_Supporting_Documents.pdf, page 2. The bond amount is $22,000.00; 5% of the total bid of $425,142.50 is $21,257.13, so the amount is not less than the required amount. If the total bid changes, check this again. This does not confirm the bond is on the required form, signed by the principal and surety, or accompanied by a power of attorney.

Limitations and disclaimer

- This report is an aid to your own review. It is not legal advice, and it is not a certification of any kind.
- It does not determine whether a bid is responsive, responsible or compliant with any law, regulation or solicitation, and it does not guarantee that a bid will be accepted.
- "Found" means a matching page or passage was located. It does not mean the item is complete, correct, current, signed or sufficient.
- "Missing / Not Found" means the item was not identified in the pages that could be read. It does not prove the item is absent from your bid.
- Requirements can be missed, particularly when they are written in unusual wording, appear only in drawings or scanned pages, or are in documents that were not uploaded.
- Handwritten signatures, seals and notarization cannot be verified from the text of a PDF. Typed text near a signature line is not proof that a form was executed.
- Only the files listed in this report were considered. An addendum or instruction that was not uploaded was not considered.
- Arithmetic is checked only where numbers could be read reliably from a table. Whether prices are reasonable is never assessed.
- The bidder remains responsible for reviewing the solicitation, every addendum and the complete bid before submission.
